HOW WOULD YOU USE BIG DATA TO CHANGE THINGS FOR THE BETTER?

EMC seeks interns and new graduates who excel at what they do, welcome a challenge, love innovating, and work best in a fast-paced, lively environment. We look for people who feel energised knowing that each day will serve up something different — and that they and their co-workers will have to deliver creative results. We want people who are proud of their work, who love being on a winning team, and most of all, who can be trusted to move heaven and earth to satisfy a customer.
